

## FIXATION SUPPORTS

**Applications / use**

Fixation supports for potentially explosive atmospheres.

Material: polyamide 12.

Extremely shock resistant, optimum axial strain relief, quick installation due to single hole fixing.

Versions for normal and heavy load.

**WZXL48EX**

**Art.-No. WZXL48EX** for heavy load

**Suitable for:** 55 mm outer diameter of corrugated hose

**Dimensions (WxHxD):** 115 x 90 x 30 mm

**WZXL36EX**

**Art.-No. WZL36EX** for heavy load

**Suitable for:** 43 mm outer diameter of corrugated hose

**Dimensions (WxHxD):** 85 x 75 x 30 mm

**WZXS48EX**

**Art.-No. WZXS48EX** for normal load

**Suitable for:** 55 mm outer diameter of corrugated hose

**Dimensions (WxHxD):** 68 x 68 x 20 mm

**WZXS36EX**

**Art.-No. WZXS36EX** for normal load

**Suitable for:** 43 mm outer diameter of corrugated hose

**Dimensions (WxHxD):** 56 x 56 x 20 mm
